

Independence Rocks!!

Summer 2018

**Children's Speech and Language Services, Inc. in Falls Church, VA
is pleased to offer an independence skills group this summer.**

**Group sessions will be 2 hours on Tuesdays and Thursdays for
4-6 weeks during the summer months**

Who is this group for?

Adolescent and young adult clients who want to gain confidence and increase independence with their speech, language, cognitive and social skills, while independently completing important life tasks.

What is the purpose of this group?

The group will foster confidence and independence through planning, practicing and participating in real life scenarios, projects and field trips such as practicing for job interviews, ordering at restaurants, meal planning, grocery shopping, and many more opportunities to strengthen independence across many different situations and environments.

- ★ Specific dates and times for the group will be determined upon registration.
- ★ \$250.00 per week.
- ★ Independence skills groups will not be billed to insurance.
- ★ Participants may enjoy any number of weeks during the 4-6 weeks the program is offered.

Please contact Deena Kennedy, Speech-Language Pathologist, at dkennedy@cslstherapy.com for additional details and information.
