

Social Skills Groups

Children's Speech and Language Services of Springfield is pleased to offer social skills groups throughout the year.

PlayPals, a group for children ages 3-6, focuses on the improvement of social language and social interaction skills, including turn-taking, verbally initiating interaction with and responding to peers, playing cooperatively with peers, and developing imaginative play skills. There will be 2-4 children per group.

Friendship Spies, a group for children ages 6-11, addresses building friendships, perspective taking, improving conversational skills, interpreting social situations, and developing self-regulation strategies.

- \$100 per session (60-minute classes)
- Families are required to pre-register and pre-pay across three installments
- Social skills groups will not be billed to insurance
- Specific days and times for your child's group will be determined upon registration
- Groups run seasonally (e.g. 12-week spring, summer, winter or fall session)
